<p>Background /Introduction</p> <p>Objective</p> <p>Materials & Methods</p> <p>Results</p> <p>Discussion</p> <p>Conclusion & Recommendation </p>		

NB: The fields marked with a red star MUST be filled

Submission Guideline

- Abstracts should be submitted responding to a specific sub-theme of the conference by filling this form
- Abstracts must be written in English and not more than 300 words
- The Scientific Sub-committee will review and communicate only to the successful applicants
- The Scientific Sub-committee will issue conditional acceptance to the authors concerned once their paper proposal has been chosen for presentation.
- Deadline for submission: 30th November 2016

Submission of abstracts and completed abstract submission forms should be sent as email attachments to eahsc@eachq.org & bnankya@eachq.org

Format for submission: Microsoft Word

Font: Arial 11.5

Only those applicants whose abstracts are accepted will be contacted. Abstracts that are submitted after the submission deadline will not be considered and the organizers will not be held responsible for any such late submissions. All abstracts must be submitted in English. They must also meet the word number and font requirements. Abstracts submitted in a different language will not be considered and the organizers will not be held responsible for not considering any such abstracts. Submitted abstracts that are accepted will be published in the East African Health Research Journal, special issue of March 2017 and reference will be made to the source of the abstracts. Due to limited time available for oral presentations during the conference, some of the abstracts that are accepted may only be published in the book of abstracts.
