## **Preface**

Short listing is a pre-tender process that provides for a shortlist of Bidders from which Bidders are obtained to bid. Short listing is used where goods, works or services are of a routine nature or bidding is for a group of similar contracts. Short listing shall be open to all Bidders and Bidders shall be invited using a short list notice.

A short list notice shall be published in at least one publication of wide circulation in each Partner State to ensure effective competition.

The short listing document is divided into:

- Part I: General Part
- Part II: Instructions to Bidders
- Part III: Preparation of Applications
- Part IV: Submission of Applications
- Part V: Opening and Evaluation of Applications
- Part VI: Short listing

### **Appendices:**

- A: Application Submission Sheet
- B: Statement of Requirements
- C: Evaluation Criteria

## **PART I: GENERAL PART**

### **1.1 Scope of Bid**

1.1.1 The EAHRC intends to prequalify eligible firms for the provision of goods, services and works described in **Appendix B**.

1.1.2 Throughout this document:

- (a) the “Applicant” means the bidder submitting an application; and
- (b) “Application” means a bid or submission to be short-listed.

### **1.2 Source of Funds**

1.2.1 The goods, services and works to be provided by the Supplier will be financed by the EAHRC through its administrative budget.

### **1.3 Corrupt Practices**

1.3.1 It is EAC policy to require that Applicants/Bidders/ Providers and Consultants, as well as EAC Staff observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the EAC:

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
  - (i) “corrupt practice” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of the EAC official in the procurement process or in contract execution; and includes, inter alia, bribery and extortion or coercion which involve threats of injury to a person, property or reputation; and
  - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the EAC, and includes collusive practices among Bidders or between a bidder and EAC officials (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the EAC of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded an EAC contract if it at any time determines that the Bidder has engaged in corrupt or fraudulent practices in competing for, or in executing, a public contract in any of the Partner States or with any of the International Financial Institutions.

1.3.2 In pursuit of the policy, the EAC requires both the EAC staff and Bidders to adhere to the EAC Code of Conduct for Procurement.

Bidders are required to indicate their acceptance of the EAC Code of Conduct for Procurement through the declarations in the **Application Submission Sheet**.

## **PART II: INSTRUCTIONS TO BIDDERS**

### **2.1 Introduction**

The EAC will evaluate and short list all eligible companies for the provision of various goods, works and services for the Financial Years **2021/2022 and 2022/23**. Once a firm has been short listed, it will be invited, several times during the financial year, to submit a proposal for the provision of some or all of the goods, works or services. The EAC reserves the right to add similar types of goods, works or services to the list in **Appendix B**.

### **2.2 Objectives**

The EAC invites sealed Applications from reputable Bidders for the provision of various Goods, Works or Services for 2 Financial Years 2021/22 and 2022/23

The list of items required during the above mentioned financial year is given in **Appendix B**.

### **2.3 Eligible Applicants and Countries**

2.3.1 An Applicant, and all parties constituting the Applicant, shall meet the following criteria to be eligible to participate in public procurement:

- (a) the applicant has the legal capacity to enter into a contract;

  - (ii) in receivership;
  - (iii) bankrupt; or
  - (iv) being wound up
- (c) the applicant's business activities have not been suspended;
- (d) the applicant is not the subject of legal proceedings for any of the circumstances in (b); and
- (e) the applicant has fulfilled his or her obligations to pay taxes and social security contributions.

2.3.2 All countries are eligible except countries subject to the following provisions.

A country shall not be eligible if:

- (a) as a matter of law or official regulation, the EAC prohibits commercial relations with that country, provided that the EAC is

- satisfied that such exclusion does not preclude effective competition for the provision of Goods or related services required; or
- (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, the EAC prohibits any import of Goods from that country or any payments to persons or entities in that country”.
- 2.3.3 An Applicant shall be a natural person, private entity, government-owned entity, subject to 2.3.9, or any combination of them with the formal intent to enter into an agreement or under an existing agreement in the form of a joint venture, consortium or association. In the case of a joint venture, consortium or association, unless otherwise specified in the **Application Submission Sheet**, all parties shall be jointly and severally liable.
- 2.3.4 An Applicant and all parties constituting the Applicant shall have the nationality of an eligible country. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen, or is constituted, incorporated or registered and operates in conformity with the provisions of the laws of that country.

  - (c) have the same legal representative for purposes of this application; or

No firm can be a subcontractor while submitting a bid individually or as a party of a joint venture in the same bidding process. A firm, if acting in the capacity of Subcontractor in any bid, may participate in more than one bid, but only in that capacity. A Bidder who submits, or

participates in, more than one bid will cause all the proposals in which the Bidder has participated to be disqualified.

- 2.3.8 A firm that is under a declaration of suspension by the relevant Authority in any of the Partner States at the date of submission of the application or thereafter, shall be disqualified.
- 2.3.9 Government-owned entities in Partner States shall be eligible only if they can establish that they are legally and financially autonomous, and operate under commercial law, and that they are not a dependent agency of the EAC.
- 2.3.10 Applicants shall provide such evidence of their continued eligibility satisfactory to the EAC, as the EAC shall reasonably request.
