26.2 Any effort by a Bidder to influence EAC in the examination, evaluation, comparison, and post-qualification of the bids or contract award decisions may result in the rejection
of its bid.

26.3 Notwithstanding ITB Sub-Clause 26.2, from the time of bid opening to the time of Contract award, if any Bidder wishes to contact EAC on any matter related to the bidding process, it should do so in writing.

27. Clarification of Bids

27.1 To assist in the examination, evaluation, comparison and post-qualification of the bids, EAC may, at its discretion, ask any Bidder for a clarification of its bid. Any clarification submitted by a Bidder that is not in response to a request by EAC shall not be considered. EAC’s request for clarification and the response shall be in writing. The request for clarification shall be copied to all bidders for information purposes. No change in the price or substance of the bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by EAC in the evaluation of the financial bids, in accordance with ITB Clause 29.4.

28. Compliance and Responsiveness of Bids

28.1 EAC’s determination of a bid’s compliance and responsiveness shall be based on the contents of the bid itself.

28.2 A substantially compliant and responsive bid is one that conforms to all the terms, conditions, and requirements of the Bidding Document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

(a) affects in a substantial way, the scope or quality of the supplies or services or the performance of the works to be procured;
(b) is inconsistent with the bidding document and which may in a substantial way, limit the rights of EAC or the obligations of the bidder under the contract;
(c) if corrected would unfairly affect the competitive position of the other bidders whose bids are administratively compliant and responsive; or
(d) impacts the key factors of a procurement including cost, risk, time and quality and causes
   (i) unacceptable time schedules, where it is stated in the bidding document that time is of the essence;
   (ii) unacceptable alternative technical details, such as design, materials, workmanship, specifications, standards or methodologies; or
   (iii) unacceptable counter-bids with respect to key contract terms and conditions, such as payment terms, price adjustment, liquidated damages, sub-contracting or warranty.

28.3 If a bid is not substantially compliant and responsive to the Bidding Document, it shall be rejected by EAC and may not subsequently be made compliant and responsive by the Bidder by correction of the material deviation, reservation, or omission.

29. Nonconformities, Errors, and Omissions

29.1 Provided that a bid is substantially compliant and responsive, EAC may waive any non-conformity or omission in the bid that does not constitute a material deviation.

29.2 Provided that a bid is substantially compliant and responsive, EAC may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the bid. Failure of the Bidder to comply with the request may result in the rejection of its bid.

29.3 Provided that a bid is substantially compliant and responsive, EAC shall rectify
nonmaterial nonconformities or omissions. To this effect, the bid price shall be adjusted, for comparison purposes only, to reflect the price of the missing or non-conforming item or component.

29.4 Provided that the bid is substantially compliant and responsive, EAC shall correct arithmetic errors on the following basis:

(a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of EAC there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

(b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

(c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

29.5 If the Bidder that submitted the best evaluated bid does not accept the correction of errors, its bid shall be rejected and its Bid Security may be forfeited or Bid Securing Declaration executed.

30. Preliminary Examination of Bids – Eligibility and Administrative Compliance

30.1 EAC shall examine the legal documentation and other information submitted by Bidders to verify the eligibility of Bidders in accordance with ITB Clause 4.

30.2 If after the examination of eligibility, EAC determines that the Bidder is not eligible, it shall reject the bid.

30.4 EAC shall confirm that the following documents and information have been provided in the bid. If any of these documents or information is missing, the offer shall be rejected.

(a) the Bid Submission Sheet, including:
   (i) a brief description of the Services offered;
   (ii) the price of the bid; and
   (iii) the validity date of the bid;

(b) the Price Schedule;

(c) written confirmation of authorisation to commit the Bidder; and,

(d) a Bid Security or Bid Securing Declaration, if applicable.

31. Detailed Commercial and Technical Evaluation

31.1 EAC shall examine the bid to confirm that all terms, conditions and requirements of the bidding document have been accepted by the Bidder without any material deviation or reservation.

31.2 If, after the examination of the terms, conditions and requirements, EAC determines that the bid is not substantially responsive in accordance with ITB Clause 28, it shall reject the bid.

32. Conversion to Single Currency

32.1 For evaluation and comparison purposes, EAC shall convert all bid prices expressed in amounts in various currencies into a single currency, using the selling exchange rate
established by the source and on the date specified in the BDS.

33. Margin of Preference

33.1 Unless otherwise specified in the BDS, a margin of preference shall apply. Where a Margin of Preference applies, its application and detail shall be specified in Section 3, Evaluation Methodology and Criteria.

33.2 For the purpose of granting a margin of domestic preference, bids will be classified in one of three groups, as follows:
(a) Group A: bids from providers incorporated or registered in EAC where more than fifty percent of the bidder’s capital is owned by EAC nationals;
(b) Group B: bids from joint ventures or associations registered in EAC and including an insurance company qualifying under the conditions in paragraph (a) which holds more than fifty percent beneficiary interest in the joint venture or association; and
(c) Group C: all other bids which do not qualify for preference under paragraphs (a) or (b).

33.3 Bidders claiming eligibility for a Margin of Preference must complete the declarations in the bid submission sheet and provide documentary evidence of their eligibility in accordance with paragraphs 33.2 (a) or (b) above.

34. Financial Comparison of Bids

34.1 EAC shall financially evaluate each bid that has been determined, up to this stage of the evaluation, to be substantially compliant and responsive.

34.2 To financially evaluate a bid, EAC shall only use the criteria and methodologies defined in this Clause and in Section 3, Evaluation Methodology and Criteria. No other criteria or methodology shall be permitted.

34.3 To financially compare bids, EAC shall:
(a) determine the bid price, taking into account the costs listed in Section 3, Evaluation Methodology and Criteria;
(b) correct any arithmetic errors in accordance with ITB Sub-Clause 29.4;
(c) apply any unconditional discounts offered in accordance with ITB Sub-Clause 13.1(d);
(d) make adjustments for any nonmaterial nonconformities and omissions in accordance with ITB Sub-Clause 29.3;
(e) convert all bids to a single currency in accordance with ITB Clause 32;
(f) apply any margin of preference in accordance with ITB Clause 33; and
(g) determine the total evaluated price of each bid.

35. Determination of Best Evaluated Bid(s)

35.1 EAC shall compare all substantially compliant and responsive bids to determine the best evaluated bid or bids, in accordance with Section 3, Evaluation Methodology and Criteria.

36. Post-qualification of the Bidder

36.1 EAC shall determine to its satisfaction whether the Bidder that is selected as having submitted the best evaluated bid is qualified to perform the Contract satisfactorily.

36.2 The determination shall be based upon an examination of the documentary evidence of
the Bidder’s qualifications submitted by the Bidder, pursuant to ITB Clause 5, to clarifications in accordance with ITB Clause 27 and the qualification criteria indicated in Section 3, Evaluation Methodology and Criteria. Factors not included in Section 3 shall not be used in the evaluation of the Bidder’s qualifications.

36.3 An affirmative determination shall be a prerequisite for award of the Contract to the Bidder. A negative determination shall result in disqualification of the bid, in which event EAC shall proceed to the next best evaluated bid to make a similar determination of that Bidder’s capabilities to perform satisfactorily.

36.4 If pre-qualification has been conducted, no post-qualification will be conducted but pre-qualification information shall be verified.

F. Award of Contract

37. Award Procedure

37.1 EAC shall issue a Notice of Best Evaluated Bidder on its website after the decision to award a contract.

37.2 No contract shall be signed for a period of at least ten (10) working days after the date of display of the Best Evaluated Bidder.

37.3 EAC shall award the Contract to the Bidder whose offer has been determined to be the best evaluated bid, provided that the Bidder is determined to be qualified to perform the Contract satisfactorily and subject to satisfactory negotiations.

38. EAC’s Right to Accept or Reject Any or All Bids

38.1 EAC reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract signature and issue by the EAC, without thereby incurring any liability to Bidders.

39. Signing and Effectiveness of Contract

39.1 On expiry of the ten (10) working day period after the display of the Best Evaluated Bidder, the EAC shall sign a contract with the successful Bidder.

39.2 Failure by the successful Bidder to sign the contract shall constitute sufficient ground for annulment of the contract award.

39.3 Effectiveness of the contract shall be subject to submission of a satisfactory Performance Security where applicable and any other conditions specified in the Contract.

40. Debriefing

40.1 Where a bidder requests for information on the reasons for the success or failure of their bid, EAC shall promptly give the Bidder a written debrief after the signing of the contract.

41. Performance Security

41.1 Within twenty-one (21) days of signing of the contract, the successful Bidder shall where applicable, furnish to EAC a Performance Security in the amount stipulated in the SCC and in the form of on demand Bank Guarantee as stipulated in Section 9, denominated in the type and proportions of currencies of the Contract. The performance security shall be issued by a Bank located in Tanzania or a foreign Bank through correspondence with a Bank located in Tanzania. On demand insurance bonds with proof of re-insurance, in the format included in Section 9 (contract forms) can be
accepted.

41.2 Failure of the successful Bidder to submit the above-mentioned Performance Security shall constitute sufficient ground for annulment of the contract award. In this case, or where the successful Bidder fails to sign the contract in accordance with ITB Clause 39.2, the successful Bidder’s Bid Security may be forfeited or the Bidder may be suspended by EAC from participating in EAC procurement processes under the terms of its Bid Securing Declaration. In that event, EAC may award the Contract to the next best evaluated Bidder.

42. Advance Payment and Security

42.1 If so, stated in the BDS, EAC will provide an Advance Payment on the Contract Price, subject to a maximum amount, as stated in the BDS. This Payment shall be in the same currencies and proportions as the Contract Payment and shall be made in accordance with the GCC. The Advance Payment security shall be issued by a Bank located in Tanzania or a foreign Bank through correspondence with a Bank located in Tanzania. On demand insurance bonds with proof of re-insurance, in the format included in Section 9 (contract forms) can be accepted.

2.1 The Technical Compliance Selection methodology recommends the lowest priced bid, which is eligible, compliant and substantially responsive to the technical and commercial requirements of the Bidding Document, provided that the Bidder is determined to be qualified to perform the contract satisfactorily.

2.2 The evaluation shall be conducted in three sequential stages –

- (a) a preliminary examination to determine the eligibility of bidders and the administrative compliance of bids received;
- (b) a detailed evaluation to determine the commercial and technical responsiveness of the eligible and compliant bids; and
- (c) a financial comparison to compare costs of the eligible, compliant, responsive bids received and determine the best evaluated bid.

B Preliminary Examination Criteria

3. Eligibility Criteria

3.1 The eligibility requirements shall be determined for eligible Bidders in accordance with ITB Clause 4.

3.2 The documentation required to provide evidence of eligibility shall be:

19.2 The Service Provider shall notify the EAC in writing of all subcontracts awarded under the Contract if not already specified in the bid. Such notification, in the original bid or later shall not relieve the Service Provider from any of its obligations, duties, responsibilities, or liability under the Contract.

Once the maximum is reached, the EAC may terminate the Contract as provided herein.

22.1 At its own expense, the Service Provider shall indemnify, protect and defend, EAC, its agents and employees, from and against all actions, claims, losses or damage arising from any act or omission by the Service Provider in the performance of the Services, including any violation of any legal provisions, or rights of third parties, in respect of patents, trademarks and other forms of intellectual property such as copyrights.
22.2 At its own expense, the Service Provider shall indemnify, protect and defend EAC, its agents and employees, from and against all actions, claims, losses or damages arising out of the Service Provider’s failure to perform its obligations provided that:
   (a) the Service Provider is notified of such actions, claims, losses or damages not later than 30 days after the EAC becomes aware of them;
   (b) the ceiling on the Provider’s liability shall be limited to an amount equal to the contract value, but such ceiling shall not apply to actions, claims, losses or damages caused by the Provider’s wilful misconduct;
   (c) the Provider’s liability shall be limited to actions, claims, losses or damages directly caused by such failure to perform its obligations under the contract and shall not include liability arising from unforeseeable occurrences incidental or indirectly consequential to such failure.

22.3 The aggregate liability of the Service Provider to the EAC shall not exceed the total contract value or such other amount specified in the SCC.

22.4 The Service Provider shall have no liability whatsoever for actions, claims, losses or damages occasioned by:
   a) EAC omitting to act on any recommendation, or overriding any act, decision or recommendation, of the Provider, or requiring the Insurance company to implement a decision or recommendation with which the Insurance company disagrees or on which it expresses a serious reservation; or
   b) the improper execution of the Provider’s instructions by agents, employees or independent contractors of EAC.

22.5 The Service Provider shall remain responsible for any breach of its obligations under the contract for such period after the Services have been performed as may be determined by the law governing the contract.

23.1 Unless otherwise specified in the Contract, if after the signature of the Contract any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the United Republic of Tanzania, (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the delivery date and/or the Contract Price, then such delivery date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Contractor has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with the provision on taxes and duties.

24.1 Neither of the Parties is liable for any delay of failure to perform its obligations under this contract by an event of Force Majeure, provided that such event was beyond the reasonable control, and was not reasonably foreseeable and without deliberate default or negligence of the party claiming an event of Force Majeure, and which directly results in that party’s ability, notwithstanding all reasonable efforts, to perform its obligations in whole or
24.2 Neither party shall be considered to be in default or breach of its obligations under this contract to the extent that performance of such obligations is prevented by an event of Force Majeure which arises after the date of execution of this contract.

24.4 Any period within which such a party shall pursuant to this contract, require to complete any action or task, shall be extended for a period equal to the time during which such party was unable to perform such action as a result of Force Majeure.

24.5 If the contract or part thereof shall become impossible to perform due to Force Majeure, the contract or part thereof may be terminated by mutual consent.

24.6 Should the services be terminated in whole or in part in accordance with this clause then any payment due for any services already provided by the Supplier shall be paid and any sums belonging to the EAC, being held by the Supplier, for carrying out this contract shall be returned to the EAC forthwith.

24.7 Not later than the period specified in the SCC after the Service Provider and the EAC, as a result of an event of Force Majeure, have become unable to perform a material portion of the contract, the parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.

24.8 For purposes of this clause, “Force Majeure” means an event or situation beyond the control of the Service Provider that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Service Provider. Such events may include, acts of the EAC in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

25.1 EAC may at any time request the Service Provider through notice in accordance with GCC Clause 7, to make changes within the general scope of the Contract.

25.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Provider’s performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Service Provider for adjustment must be asserted within 28 days from the date of the Service Provider’s receipt of EAC’s change order.

25.3 Prices to be charged by the Service Provider for any additional Services or any related Supplies or Works that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Service Provider for similar services.

25.4 Subject to the above, no variation in or modification of the terms of the Contract shall be
made except by written amendment signed by the parties.

26.1 If at any time during performance of the Contract, the Service Provider or its subcontractors should encounter conditions impeding timely completion of Services, the Service Provider shall promptly notify the EAC in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Service Provider’s notice, the EAC shall evaluate the situation and may at its discretion extend the Service Provider’s time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.

26.2 Except in case of Force Majeure, a delay by the Service Provider in the performance of its contractual obligations shall render the Service Provider liable to the imposition of liquidated damages as provided by this Contract, unless an extension of time is agreed upon, in accordance with this Clause.
